

The library is closed at least through Sunday, April 5. This is due to safety concerns and the Governor's order.

Our website is open with e-books, audio books, movies, music, children's resources and many research sources at www.southfieldlibrary.org.

Our digital library at <https://southfieldlibrary.org/digital-library/> is open for e-books, audio books, movies, music and more. The amount of checkouts available on these has been doubled.

We have children's resources like ABCMouse, BookFlix and TumbleBooks at <https://southfieldlibrary.org/digital-library/books>.

We have research sources available with your library card including Mango Languages to learn a new language, Creativebug to learn a new hobby, ReferenceUSA for business and consumer data and far more at <https://southfieldlibrary.org/research-sources/by-title>.

Accurate and verified health information is available at <https://southfieldlibrary.org/research-s.../by-topic/health-3>.
