

What is TALK?

TALK: Text And Learn for Kindergarten is a free text messaging service that sends age appropriate activities to help parents and caretakes of young children prepare for Kindergarten. Activities include songs, crafts or fun games. Two texts containing an activity are sent per week, with an additional 1-2 texts highlighting a free Southfield Public Library program, service or resource.

Who is Eligible for TALK?

Families in Southfield or Lathrup Village with children 0-5 years in age can enroll in TALK.

How Does the Enrollment Process Work?

To enroll, caregivers can either text TALK to 75547 and answer a few questions sent by text. Alternatively, caregivers can visit www.texttolearn.com to either enroll or learn more about TALK.

Is a library card required?

No library card required! Enrollees will be asked to enter their zip code and the birthdates of the up to 2 children to enroll.

Is there an opt out option?

Yes, to cancel this service, text STOP to 75547

How many kids can be registered for TALK?

Up to 2 children may be enrolled in TALK.
