

# Library eBooks on Your Android Device\*

1. You will need to download the OverDrive Media Console app from the Google Play Store to read/listen to eBooks. Tap on the Google Play icon to open the store.

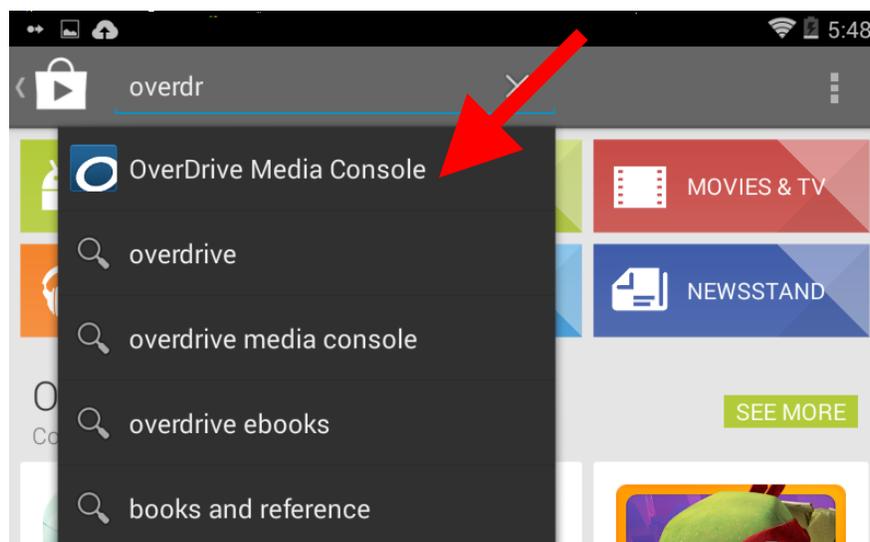

\* Screenshots are taken from a Nexus 7 (1st generation) running Android 4.4 ("KitKat"). Due to the wide variety of devices running Android, your screen may look different than the screenshots here.

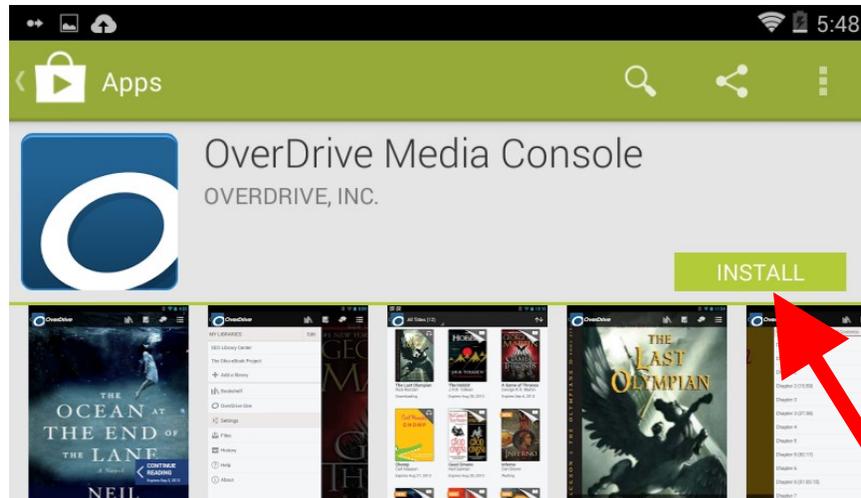

2. In the Play Store, tap the search icon in the upper right hand corner, and search for “OverDrive Media Console”

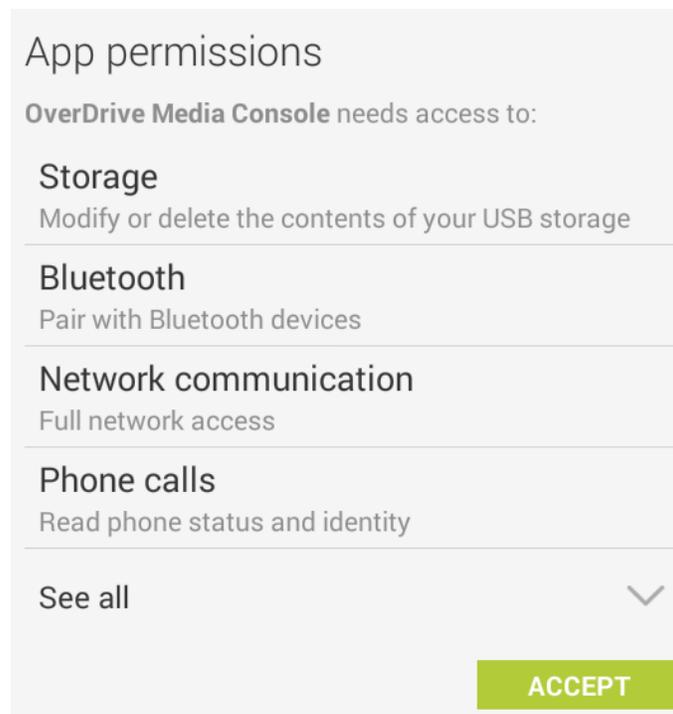

3. Tap the name “OverDrive Media Console”.

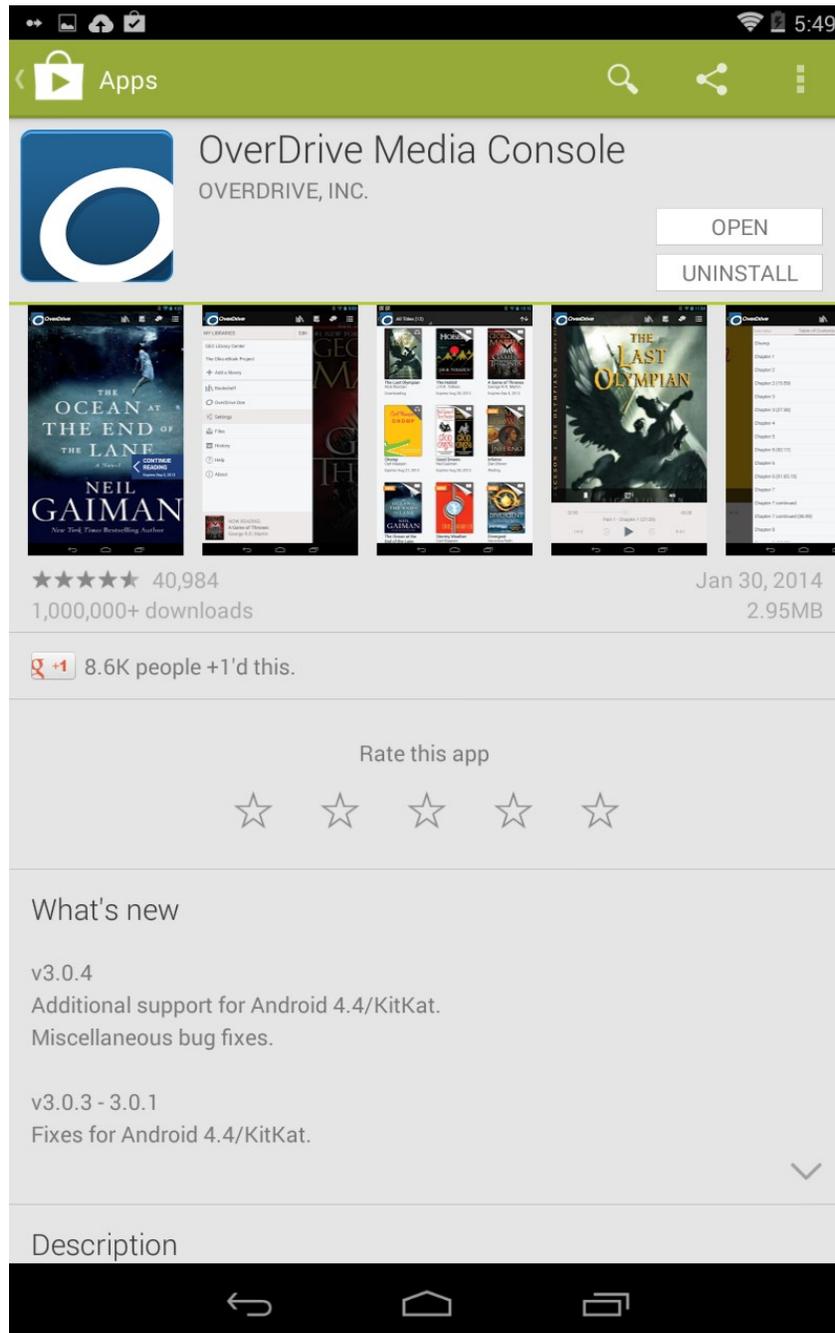

4. To install the app, tap the “Install” button.

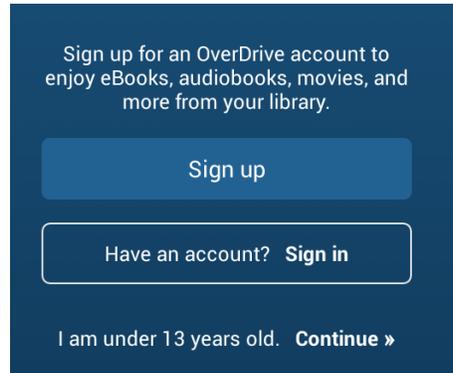

5. You will then be prompted to accept the permissions that the app needs to run. Tap “Accept”

6. Tap the “Open” button to open OverDrive Media Console.

7. The first time you open the OverDrive app, you will be asked to sign up for a free OverDrive account. Tap “Sign up”.

9. You will then need to add Southfield Public Library as your home library. Tap the main menu icon in the upper left hand corner.

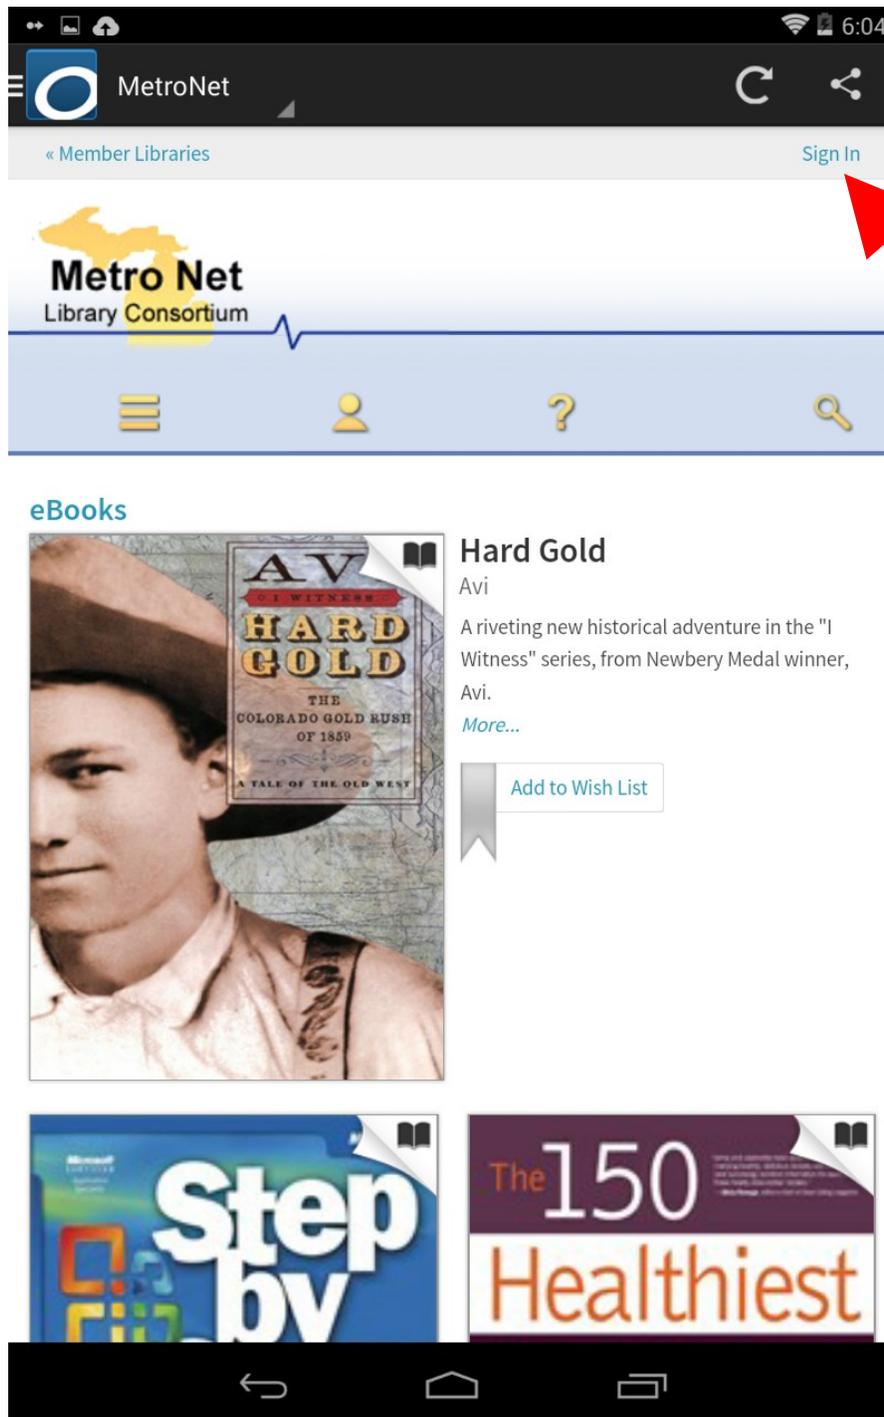

10. On the main menu, tap “Add a library”.

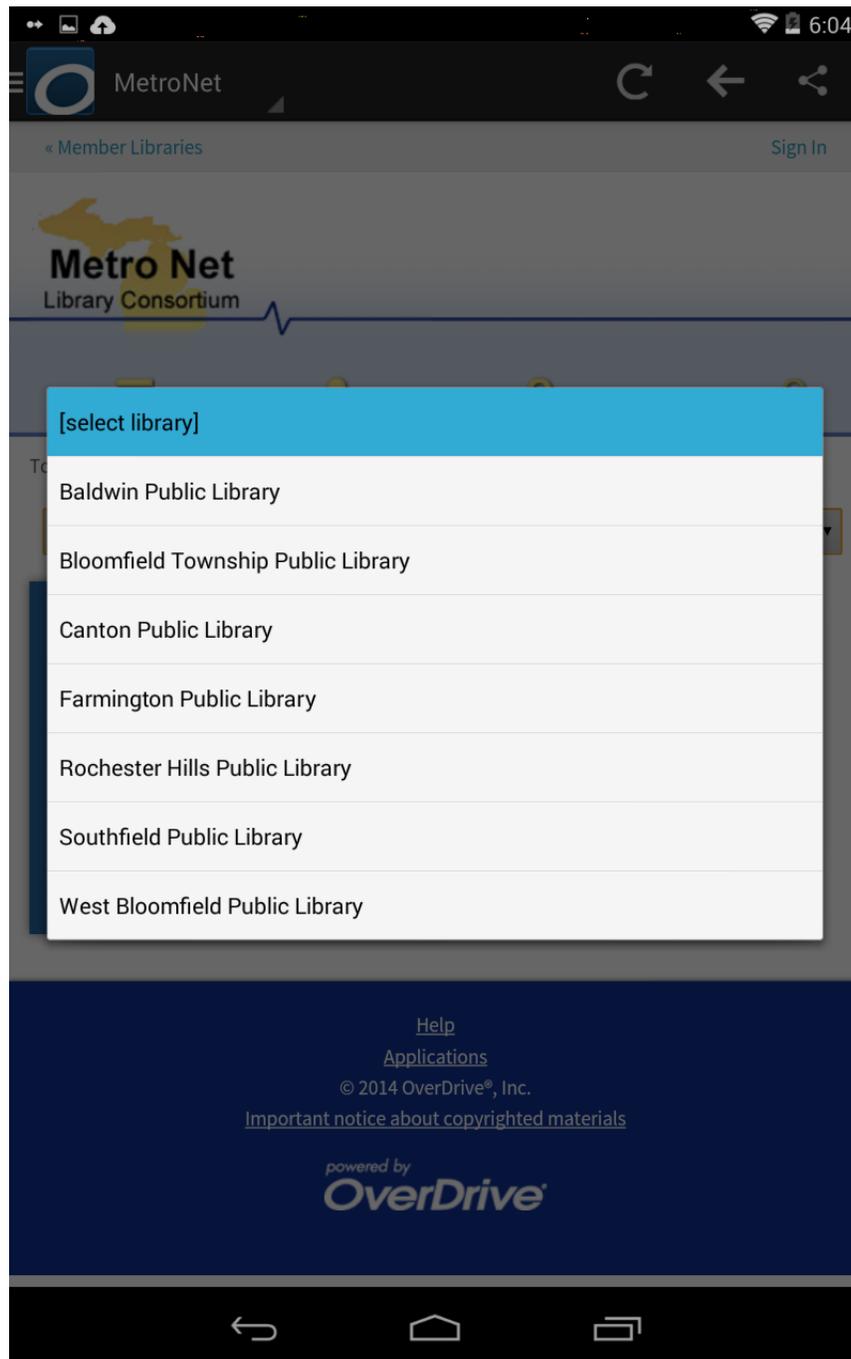

11. In the search field, enter “Southfield Public Library” and tap the “Search” button.

12. You will then be directed to the site where you can search, browse, and check out eBooks. First you will need to sign in with your library card number. Tap on "sign in" in the upper right hand corner.

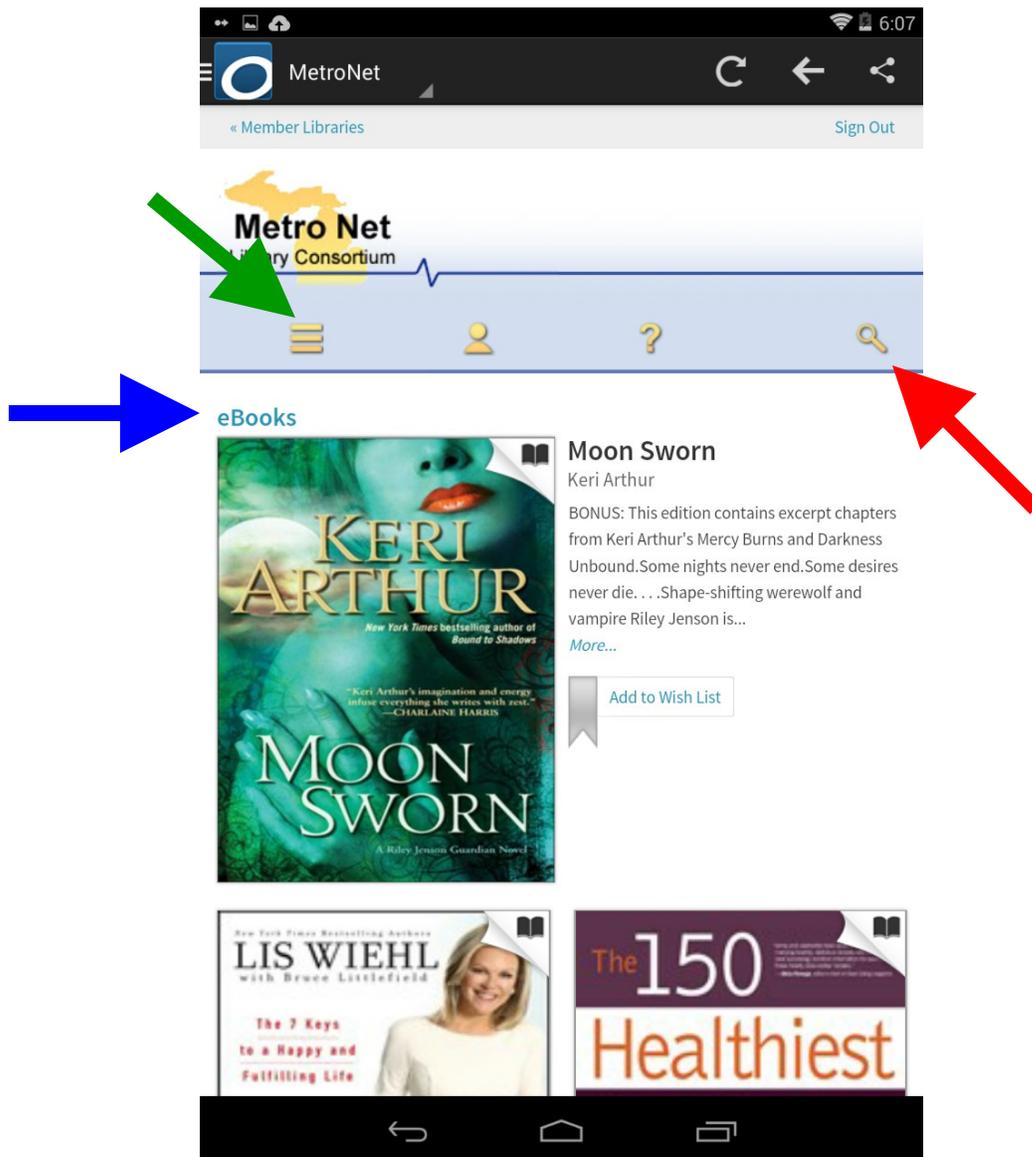

13. Select “Southfield Public Library” from the drop down menu and enter your library card number. Tap on “remember my login information on this device” box if you would like it to save your library card number for future use.

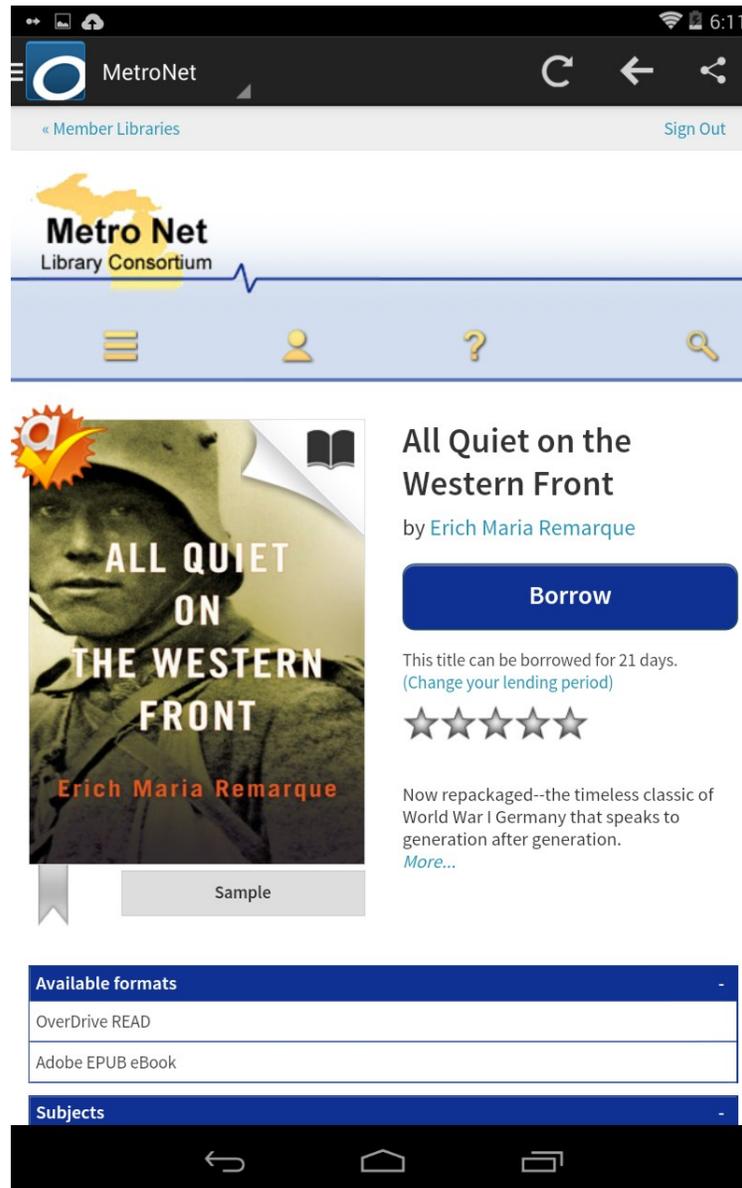

14. You are now logged in and ready to begin browsing for books! There are several ways to search for books. You can:

- A. Search for a particular title using the search function (red arrow, below)
- B. Browse the collection by format alone by tapping on “eBooks” (blue arrow) or “Audiobooks” (not shown, out of frame).
- C. Tap the MetroNet menu to expand the menu options and browse the collection by format and genre by tapping on one of the genre categories (green arrow).

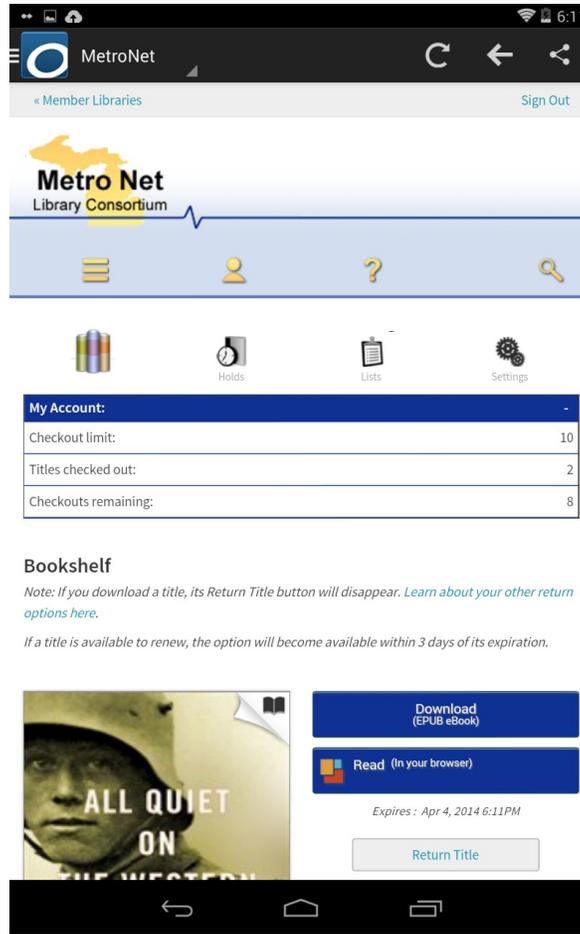

15. Once you've found a book you'd like to check out, tap on its cover. You will then see a screen like the one below. Tap on the "Borrow" button.

16. Note that if someone else already has that title checked out, the "Borrow" button will say "Place hold" instead. If you place a hold, you will be notified via email when it becomes available to download.

17. Once you've tapped on the borrow button, you'll be taken to your "bookshelf" page. That's where you will download your book.

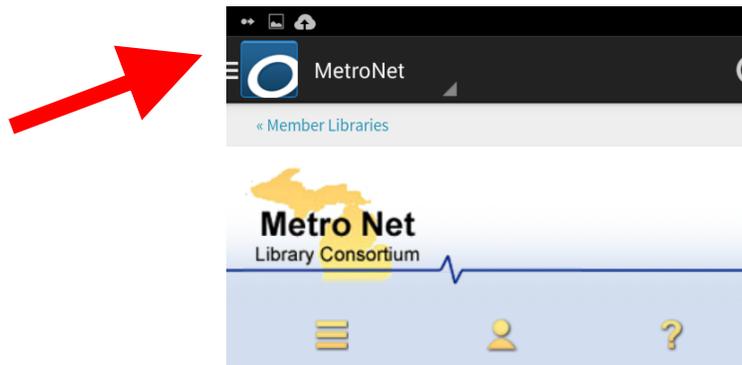

18. To download, tap on the blue "Download" box to the right of your book. If that title is available in multiple formats, you will be prompted to select which format you wish to download. For eBooks, make sure you select "Adobe EPUB eBook"; for eAudio-books, make sure you select "MP3".

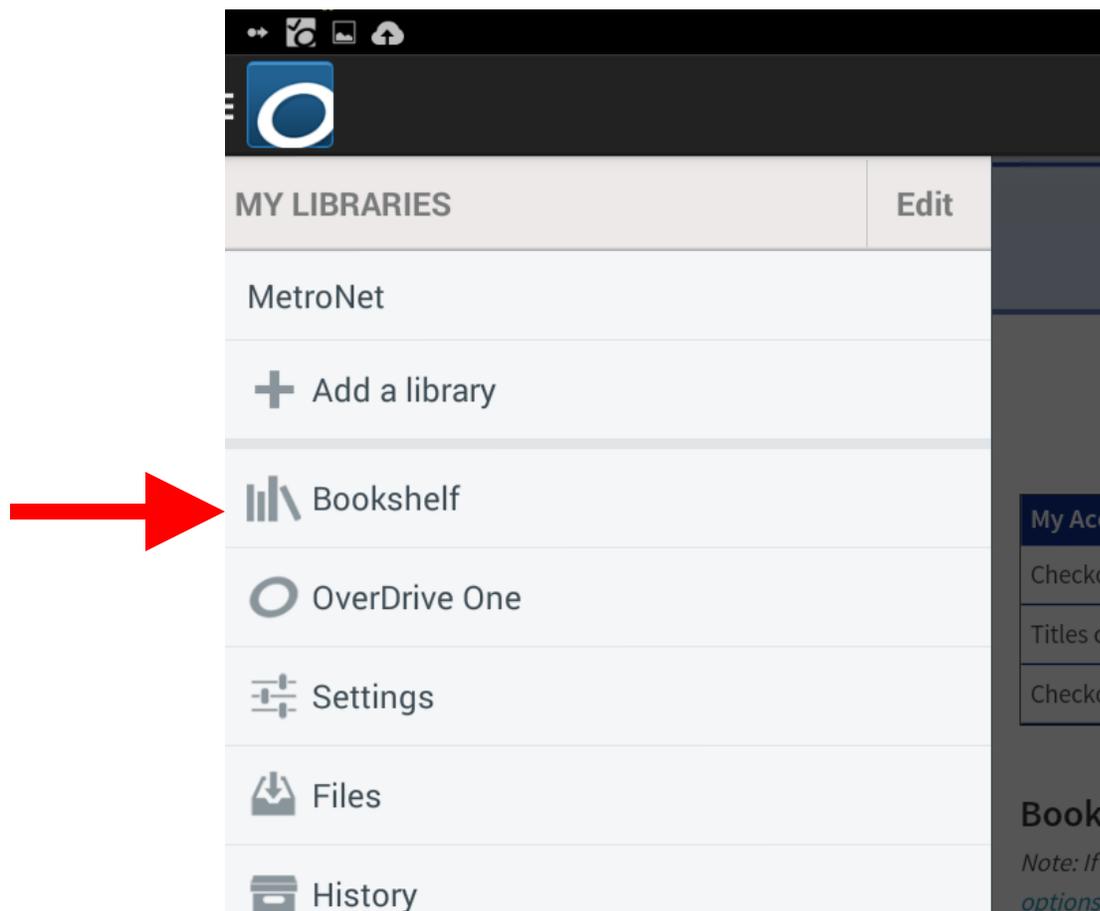

*...me available within 3 days of its expiration.*

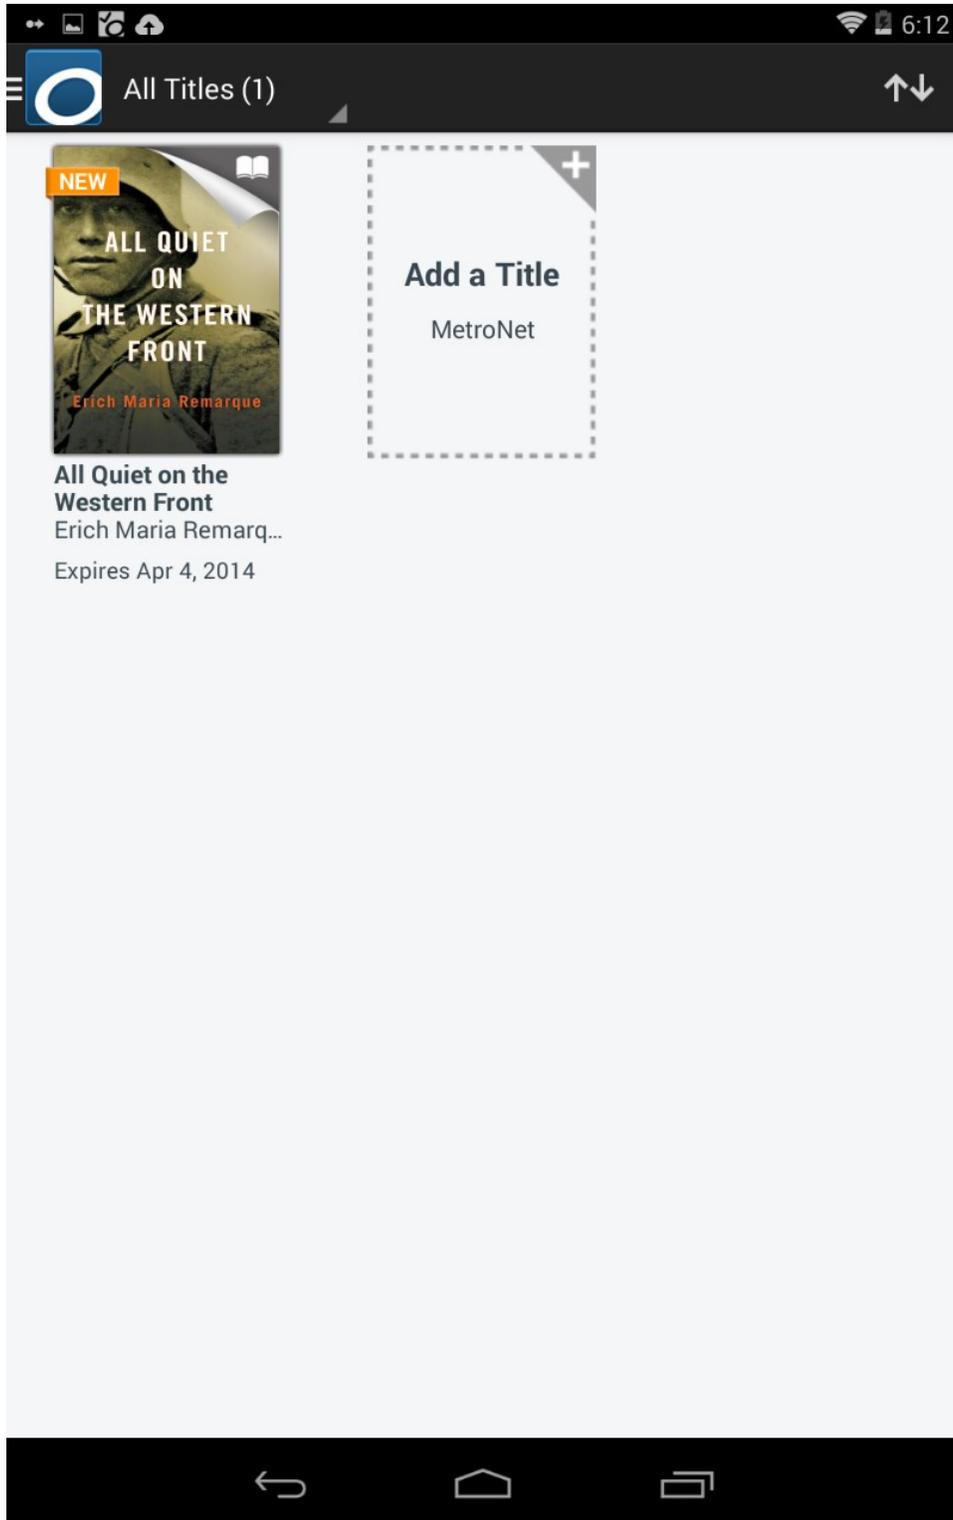

19. Your book will now begin to download to your device. You will use the OverDrive app to read or listen to your book. To get to the book you just downloaded, go to OverDrive's main menu by tapping on the menu icon in the upper left hand corner of your screen.

20. On the main menu, tap on "Bookshelf".

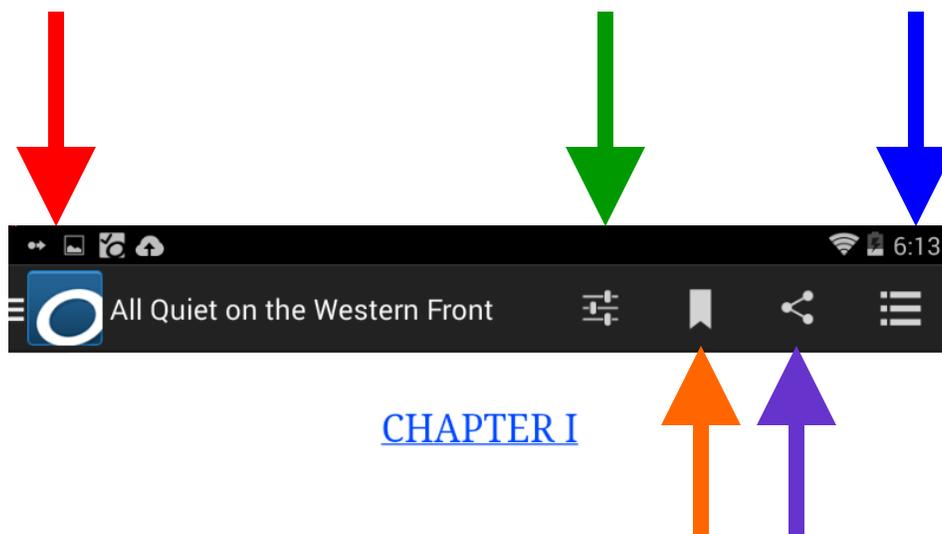

21. You will see all books you currently have checked out and downloaded. To begin reading or listening to your book, simply tap on its cover image!

22. Now that your eBook has been opened, simply swipe your finger from right to left in order to turn pages. To display the menu icon (upper left, **red**), table of contents icon (upper right, **blue**), and advanced settings (top center, **green**), tap once in the center of the screen.

You can also bookmark a page (**orange** arrow) or share content (**purple** arrow)

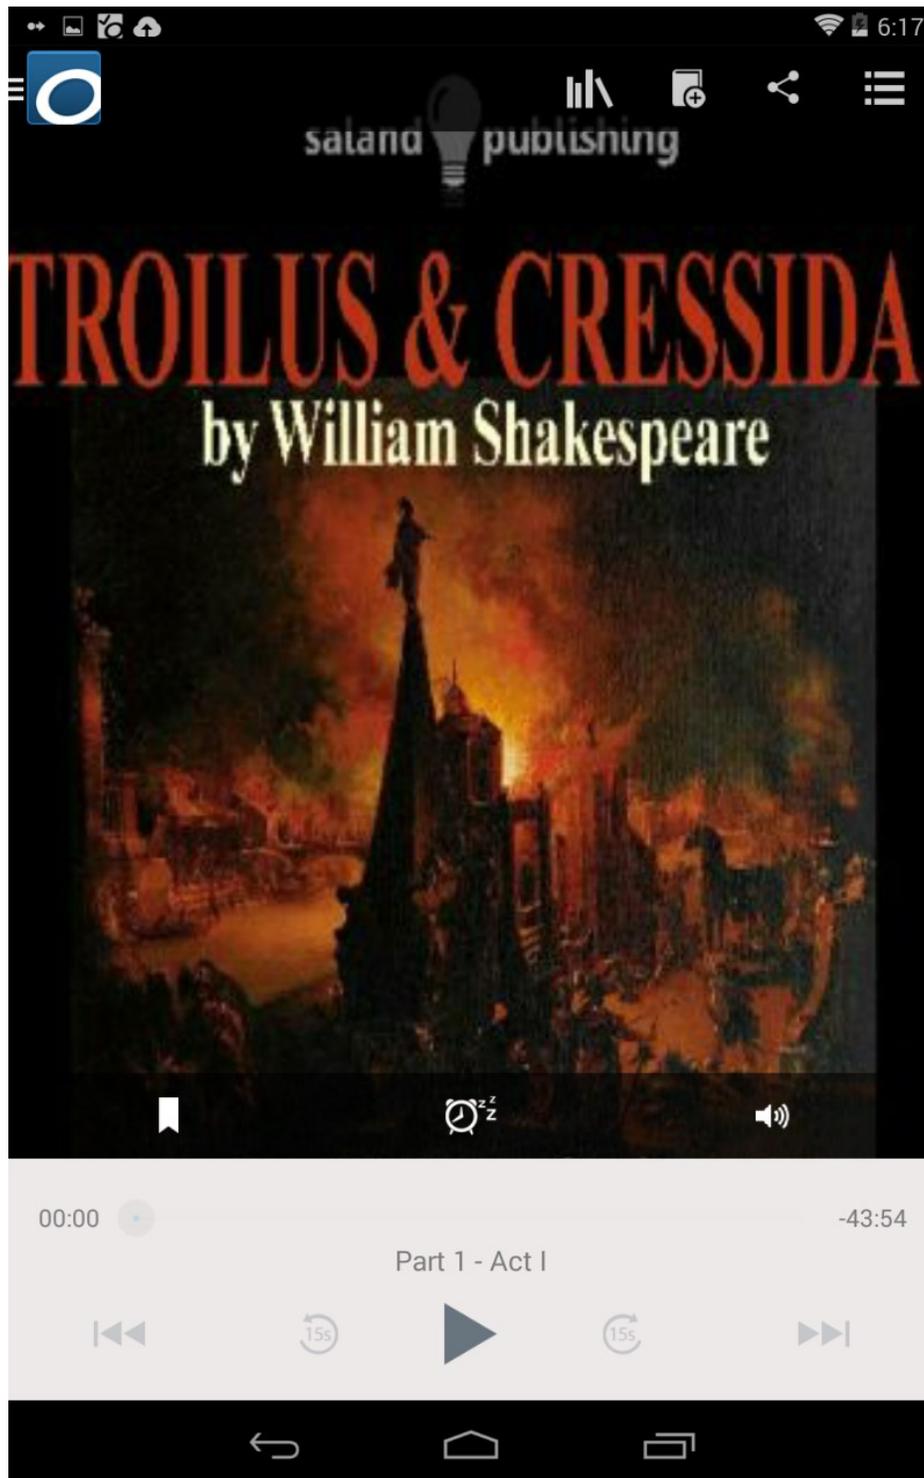

To hide them, tap anywhere else on the screen.

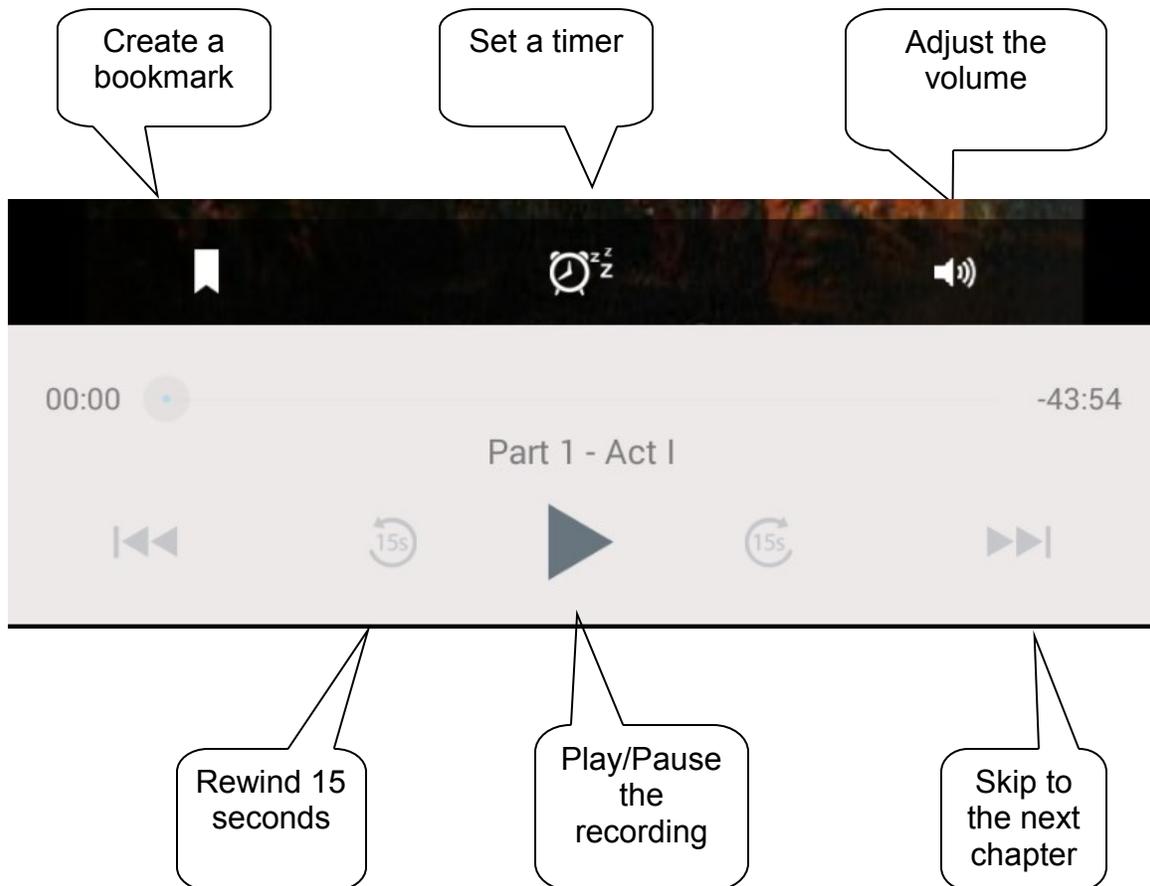

We are at rest five miles behind the front. Yesterday we were relieved, and now our bellies are full of beef and haricot beans. We are satisfied and at peace. Each man has another mess-tin full for the evening; and, what is more, there is a double ration of sausage and bread. That puts a man in fine trim. We have not had such luck as this for a long time. The cook with his carrot head is begging us to eat, he beckons with his ladle to every one of us, and spoons him out a great dollop. He does not see how he can empty his stew-pot in time for coffee. Tjaden and Muller have produced two washbasins and had the Book progress 1.3% e brim as a reserve. In Tjaden puts it all is a mystery, for he is and always will be as thin as a rake.

What's more important still is the issue of a double ration of smokes. Ten cigars, twenty cigarettes, and two quids of chew per man; now that is decent. I have exchanged my chewing tobacco with Kaczinsky for his cigarettes, which

23. eAudiobooks work much the same way. To begin listening, you will tap on the image of the book cover. Tap the play button to start your eAudiobook. See the next page for more detail.

24. The control panel gives you many options for how you experience your eAudio-book.
